Home Reading

Thank you to all of the students who have returned their Home Reading books and Home Reading logs. It is so exciting to see so many children returning their logs and receiving 100, 200, 250 and 300 Nights of Home Reading. Please keep checking at home for any missing books.

Please continue to encourage your child to keep up the great reading at home. Teachers will continue to hand out Blue Awards for Home Reading Logs returned. Over the holidays it is important to have a break from school but to continue practicing skills and strategies they've learned in the year through the joy of reading. Remember you can access the local libraries for books whilst our library and Home Reading books are not being borrowed out.

For parents asking already, our school Home Reading program will start on Wednesday the 30th January. Our Home Reading program and reward system is counted from this date, not from the start of the calendar year. Logs will be handed out in the second week back at school. You can write on a piece of paper for the first week until your log is sent home.

Thank you to the parents who are helping with our Home Reading stocktake. This is a big job and we appreciate all of the time in completing this necessary task. If you can help in any way with the Home Reading stocktake, each classroom pod will have instructions and notes on where they are up to.

Home Reading Coordinator

Movember

Mo, Mo, Mo! 3/4H and Mr Hunt will be leading the Movember fundraiser which promotes men's health. It will run for the entire month of November with a whole school celebration day to be held on Friday the 30th of November. Stick on moustaches can be purchased with a gold coin donation. Students can bring their money in at any time and their teacher will collect all funds. My target this year is to raise \$500 or more. If you would like to donate any money to the cause then please drop it in at the front office.

Thank you for your help.
Mr Hunt and 3/4H
