## Principal Report

**Have you registered yet?** - What do we need you to do? Please create an online profile at [www.schoolfunrun.com.au](http://www.schoolfunrun.com.au) by Friday 17 May. The class with the most profiles by Friday 17 May will all get an icy pole!

**P&C Representatives** - From time to time the school calls on the P&C to put forward representatives to participate in various forums and official processes. Congratulations and thank you to Natalie who has been elected by the P&C to work on the Canteen Tender process, and to Kristin who will become a member of the Preschool committee, as work commences on the planning for our preschool.

**ZING Dance** - Dance lessons have commenced across the school with ZING dance company. Our students are having a great time, gaining from the expertise of specialist trained teachers, whilst covering important parts of the Creative Arts and PE/PD/Health curriculum. Why not ask your child to show you a few of their 'moves'?

**Grandparents and Family Day** - Thank you to everyone who joined us for our Grandparents & Family Day last week. We love meeting our extended families and having an opportunity to share our school and our learning with you. Take a look below at some of the great photos from the day.

**GRIP Leadership** - Students from Years 4, 5 and 6 have attended the GRIP Leadership Conference at Southern Cross University today. The conference is designed to assist in training students to effectively recognise and use their leadership skills at school and in the community. The conference equips students with skills and abilities to be leaders. These skills are developed through a series of dynamic presentations, leadership games and group activities involving all students.

Fill in this form and return to our school ASAP

**Convenient and Fear Free**  
**Free\*, accessible and convenient.**  
 The service can provide Dental Health Screens, checkups, cleans and preventative and general dental care at school in a fully functional dental truck - just like a dental clinic.  
 No more wasted time to find and book a dentist. Less time off work for you and more time in school to learn for them.

**Catch and Fix Early**  
**No one wants a toothache, missing teeth or gum disease. Brushing daily is not enough!** Regular professional checks find anything hiding that you cannot. We aim to find, prevent and treat dental issues early, keeping teeth healthy and in great shape.

**A Lifetime of Healthy Smiles**  
**Its our duty to create good oral health habits.** Desensitising students to healthcare professionals at a young age is a great way to give them life long health habits growing up. The best place for this to happen is in a familiar and comfortable environment at School.

**Free Dental\* Explained - No Out Of Pocket Costs**  
 The Dental Service is funded by Australian Dental Health New South Wales and the Medicare Child Dental Benefits Schedule (CDBS). The Australian Government determines the eligibility criteria for CDBS. You do not pay for this service and we will check the eligibility for you.  
 • **Medicare CDBS eligible:** No out-of-pocket costs for dental treatments.  
 • **Not CDBS eligible:** ADHNSW will self-fund a FREE Dental Health Screening.

**Please Hand to Every Student**  
 The Trusted Dental Service by NSW Schools Since 2017.
